

Bidder Registration Agreement

This Bidder Registration Agreement (“Agreement”) is entered into by Bidder (as defined in the attached Bidder Registration Form) in connection with the 2011 Request For Proposals (RFP) For Transition Plan Resources (including all appendices, the “RFP”), the terms of which are posted on the RFP website, http://entergy-arkansas.com/transition_plan. Bidder is providing this Agreement to and for the benefit of Entergy Arkansas, Inc. and its successors and assigns (“EAI”). Bidder hereby waives and disclaims any legal or equitable defense deriving from or otherwise arising out of EAI not being a signatory to this Agreement.

Bidder acknowledges and agrees that (i) a Proposal Submission Fee (as defined in Section 2 of the main body of the RFP) will be due and owing for each proposal Bidder submits under this RFP; (ii) the completion and execution by an authorized representative of Bidder, and the delivery to EAI, of this Agreement (including the Bidder Registration Form) by the proposal submission deadline (as provided in the RFP) (the “Proposal Submission Deadline”) is a requirement for Bidder’s continued participation in the RFP process; and (iii) Bidder’s Bidder registration information will not be deemed complete until Bidder delivers to EAI, via the RFP Administrator (as defined in Section 21 of the main body of the RFP), by telefacsimile, email, courier, or hand delivery, and EAI has received, such Agreement. Bidder’s delivery of this Agreement to EAI will serve as confirmation of Bidder’s commitment and obligation, in the event Bidder submits a proposal to EAI under this RFP, to duly complete, sign and deliver to EAI the Proposal Submission Agreement. If Bidder submits a Bidder Registration Agreement prior to the Proposal Submission Deadline and the number of proposals Bidder actually submits differs from the number of proposals specified in the Bidder Registration Agreement or Bidder is aware that any other term of the Bidder Registration Agreement is inaccurate, Bidder shall submit to EAI, on or before the Proposal Submission Deadline, a revised Bidder Registration Agreement stating the correct number of proposals submitted or correcting the inaccuracy(-ies).

Within three (3) business days of the Proposal Submission Deadline, EAI will invoice Bidder for the aggregate amount of the Proposal Submission Fees due and owing to EAI. Bidder shall remit to EAI, by wire transfer to the wire address set forth in such invoice, full payment of such invoiced amount no later than ten (10) business days after the Proposal Submission Deadline (the “Payment Due Date”). Any proposal for which the corresponding Proposal Submission Fee has not been paid by the Payment Due Date will be considered non-conforming and eliminated from further consideration under the RFP.

IN WITNESS WHEREOF, Bidder has executed this Agreement as of _____, 2011.
