

**Entergy Arkansas, Inc.'s 2011 Request for Proposals
for Transition Plan Resources ("RFP")
- Notice of Selections -**

Please be advised that representatives of Entergy Arkansas, Inc. and its agent, Entergy Services, Inc., have completed the review of the proposals submitted in response to the EAI RFP. Two proposals, totaling approximately 795 MW, have been selected for negotiation of definitive agreements. Those negotiations are expected to begin shortly. The status of the other proposals has been communicated to Bidders.
