

Arkansas Public Service Commission
Notice, Application, and Affidavit
For Common Ownership and Meter Aggregation
Pursuant to Net-Metering Rule 2.05

Applicability: This Standard Application Form and Affidavit may be provided to the Electric Utility at any time at the Net-Metering Customer's discretion pursuant to Net-Metering Rule 2.05(D), which states as follows:

A Net-Metering Customer seeking to aggregate multiple accounts under common ownership shall submit a request to the Electric Utility identifying the accounts that are under common ownership. The request shall include the following documents:

- 1. Standard Application Form and Affidavit as approved by the Commission.*
- 2. Sworn Affidavit: The Net-Metering Customer shall submit a sworn affidavit by a person with personal knowledge affirming that the Net-Metering Customer is in fact the legal owner or authorized representative responsible for paying the bill for all accounts listed in the application form.*

I, [name of authorized agent], am the [title] of [legal name of the person, company, or institution] (the "Applicant"), and **am authorized in this capacity to submit on behalf of the Applicant** this Notice and Affidavit pursuant to the Arkansas Renewable Energy Development Act of 2001 ("AREDA"), Arkansas Code § 23-18-601 *et seq.*, on the date of my signature below.

I understand, agree, and certify as follows (Initial as applicable):

1. Applicant is a Net-Metering Customer of an electric utility as defined in Arkansas Code § 23-18-603(7). _____
2. I have personal knowledge that the Applicant is in fact the legal owner or authorized representative responsible for paying the bill for electric utility service for all accounts listed in Exhibit A. _____

AFFIANT CERTIFICATION

The undersigned Affiant hereby swears and affirms that the foregoing Notice and Affidavit is true and correct and copy of identification of Affiant is attached.

Dated this | day of |, 2020.

Exhibit A – Account Aggregation under Net-Metering Rule 2.05

Net-Metering Customer: [Insert Net-Metering Customer Name]

Electric Utility: [Insert Public Utility Name]

Insert each Account Number for each separate account the Net-Metering Customer seeks to aggregate (at the Net-Metering Customer’s discretion). Rank in order you would like the billing credits to be applied for energy offset purposes.
